

Nottinghamshire Children's Centre Service

Where can I get vitamins?

Many of our Children's Centres have Healthy Start vitamins in stock. Please ask a member of our Children's Centre Team for further information.

If you qualify for Healthy Start, you can collect vitamins **for free in exchange for your voucher**. Find out if you are eligible by visiting www.healthystart.nhs.uk or ringing **0345 607 6823**.

If you don't qualify for the scheme you can still **buy Healthy Start vitamins** for 80p (pregnant and breastfeeding women) and £1.60 (vitamin drops for babies and children).

Phone the free phone number **0300 500 80 80** to find a Children's Centre near you.
